DO NOT STORE IN STRONG SUNLIGHT.

Maintain unused material in closed containers in protected storage

easy to use eco-friendly non toxic non flammable non Hazardous
no mixing no special equipment non hazardous easy to use
COATINGS - CLEANERS - DEGREASERS - WATERPROOFING SYSTEMS

APPLICATION INSTRUCTIONS

NOTE: Wear gloves and goggles to protect from splashing.

1. Wash surface with EP™ Eco-Kleen, to remove all surface dirt. Rinse with water.
2. While damp use a brush or pump sprayer to apply EP™ Rust/Stain Remover at a rate of, 5-7 square metres per /litre.
3. Let stand for approximately 5 – 10 minutes, depending on the extent of the stain and the durability of the surface treated will determine the length of time before rinsing.
4. Scrub with a nylon bristle stiff broom or wire brush on any stubborn stains. Pressure wash off with minimum, 2500 Psi.
5. We recommend you wear chemical gloves, eye protection and rubber boots for protection.
6. Rinse with plenty of water. Always have a water source to wash off product and equipment.
7. Apply EP™ Waterproofing System to masonry surface after stain removal to make further maintenance easier.

Do not apply on polished stone, marble or granite.
